

## BLUE STREAK PERFORMANCE™ TRANSMISSION COOLER COMBO ASSEMBLY

### MAXIMUM COOLING

Blue Streak Performance™ by Hayden® offers two remote mounted cooler combos featuring some of our most popular cooling components that create a self-contained, compact cooling machine. Each unit comes completely assembled with powder coated brackets for increased durability.

Hayden® P/N 527

**AVAILABLE ASSEMBLED AS ONE PART NUMBER TO CREATE  
THE PERFECT COOLING MACHINE!**

#### 8" HD ELECTRIC FAN - P/N 3660

- ✓ Heavy duty, high performance four pole motor for increased output & endurance
- ✓ Staggered angle, high velocity blades to maximize airflow
- ✓ Molded stabilizer ring to reduce airflow by-pass

#### COMPLETE ASSEMBLY

Each unit comes completely preassembled with powder coated brackets for increased durability.

#### 37MM HD COOLER - P/N 778

- ✓ Patented Baffle Turbulation design cross directs fluid for optimal performance and peak cooling.
- ✓ High flow compact design allows increased heat transfer over 20,000 BTU/HR with minimal space required for installation.
- ✓ Pre-drilled brackets allow for easy installation.
- ✓ JIC Male Flare Fitting (-12 AN) for maximum flow 1-5 GPM

# BLUE STREAK PERFORMANCE™ TRANSMISSION COOLER COMBO ASSEMBLY

Hayden® P/N 528

**NOW AVAILABLE ASSEMBLED AS ONE PART NUMBER TO  
CREATE THE PERFECT COOLING MACHINE!**

### 12" HD ELECTRIC FAN - P/N 3910

- ✓ Puller design
- ✓ IP68 rated waterproof and dust proof
- ✓ Compatible with all Hayden fan controllers

### COMPLETE ASSEMBLY

Each unit comes completely preassembled with powder coated brackets for increased durability.

### 37MM HD COOLER - P/N 779

- ✓ Patented internal Turbulation design for increased heat transfer and minimal pressure drop
- ✓ High flow design of up to 5 GPM allows increased heat transfer over 23,000 BTU/HR
- ✓ Pre-drilled brackets allow for easy installation.
- ✓ 37° JIC Male Flare Fitting (-12 AN) for maximum flow capacity

Customize your cooling needs with these cooler combo add-ons!

**Hayden® 3655 Digital Fan Controller**  
Varies fan speed based on your own custom temperature setting.
