Your Manufacturing Source for Quality Electronic Fan Clutches

Hayden[®] manufactures fan clutches in our North American ISO:9001 certified production facility. For each manufactured clutch, Hayden[®] procures several O.E. sample clutches and matching O.E. fans for precise testing and development. Hayden[®] uses the data gathered from extensive testing of the O.E. unit to design a true quality replacement in fit, form and function to meet or exceed O.E.
